## **Explanation of EUCSA**

Erasmus University College Study Association is (as suggested by the name) EUC's very own study association! Every student who studies at EUC has the opportunity to join EUCSA, we are run by the students and for the students. We organize many events and platforms that enable you to pursue your passions and create friendships; think parties, trips, sports teams, music events, workshops and much, much more!

The events and opportunities offered by EUCSA would not exist without our 30 committees. Our committees all consist of chairs who lead the committee; treasurers who oversee the finances; and general members. They give their 100% to create all of our wonderful events. A full overview of all committees at EUC can be found near the end of this booklet.

Throughout the year there are several highlights to look forward to. Those not only include big events like the Gala and Halloween Party, but also our annual Ski Trip and EUCSA Weekend. Furthermore, you can look forward to the UCSRN Tournament, in which we battle all the other University College to prove that we are the best one ;)

## **Explanation of EUCSA**

With pride we say that EUCSA takes upon a huge role in making EUC the close-knit community that it is, and we are super excited for you to be a part of it this upcoming year! Make sure to read how to officially become a member at the end of this booklet, and we will see you in our events soon!

# THE BOARD

## Chair – Alina

Hii everyone!! I am Alina (she/her); a second year student from South Africa. I am majoring in Public and Global Health, but more importantly, I am super stoked to be the chairwoman of the board! A bit about me, my favorite book is Norwegian Wood, my favorite city is Berlin and my favorite mealtime is dinner!

**Fun Fact: My tattoo was supposed to be snake but it looks like a sperm!**

## Secretary Vice-Chair – Alex

Hey y'all, my name is Alex (he/him); half American, half Dutch, but grew up in a small village called The Hague. I love making music and writing scripts, so if you wanna geek over some movies hit me up! I am now in my second year of EUC and am majoring in Business.

**Fun fact: I like Alina so much I decided to live in her old apartment!**

## Treasurer – Simon

Hey hey hey! My name is Simon (he/him) and I'm hyped to be spending your money this year ;). I'm fully dutch, and even though I grew up in a very small town called Zwartsluis, I love calling myself a Rotterdammer (my grandma is from here!). I'll never say no to some crazy idea you actually proposed as a joke, love playing guitar and get obsessed over music way too regularly.

**Fun Fact: I am younger than about all of you!**

# THE BOARD

## CAO – Davey

I am Davey (he/him) and am one of three Committee Affairs Officers. I grew up in a lovely Dutch town called Leusden with my British dad and Indonesian mom, My hobbies are walking in the sun, laying in the sun and casual dancing to good music. Lastly, I would hereby like to claim that I am the fun member of the tenth board; I am the one you hit up if you want to throw a One Direction fan night.

**Fun Fact: I tried to go viral on tiktok, but ended up getting hate comments!**

## CAO – Ines

Hiii everyone! I'm Ines (she/her) and I'm the second member of the CAO trio. As the CAO in charge of external affairs, I take care of communicating with the other University Colleges. Although I'm french-american, I consider myself an adopted dutchie and Rotterdammer. I'm also the self-proclaimed cocktail master of the board, so hit me up if you ever need some good recipes! I look forward to meeting y'all :)

**Fun Fact: I got my Padi diving certificate this summer!**

## CAO – Urmi

Hi everyone! My name is Urmi (she/her) from the US/India. With Davey and Ines, we hold the most fun position of the Board! (CAOs!) # **EUCSA TERMINOLOGY**

As a future member of EUCSA there are some terms and phrases that you will frequently hear. Let us help you out and explain them to you ;)

## **General Assembly (GA)**

In the General Assembly the important happenings in the association are discussed with all the interested members. It is the place where members can speak up, raise concerns, and vote about the important developments in the associations.

## **Social Drinks**

Social Drinks are organized once every two weeks. They are lowkey events in which all members of the association are invited to come together at a bar to just casually (you guessed it ;)) grab a drink and socialize!

## **UCSRN**

UCSRN stands for the University College Student Representatives of the Netherlands. Through this we collaborate with other University Colleges to create events that unite all Liberal Arts & Sciences students in the Netherlands. The biggest event being the huge UCSRN Tournament at the end of the year.

# EUCSA TERMINOLOGY

As a future member of EUCSA there are some terms and phrases that you will frequently hear. Let us help you out and explain them to you ;)

## **Intersectional Council**

A council that advises the board on matters regarding diversity and inclusivity. They work with the Board to insure that EUCSA is a safe space.

## **The Collective**

The Collective is an independent platform for students and staff where one can address problems within the EUC community. Throughout the years, the Collective has been used to address issues regarding sexism, homophobia, racism, sexual abuse and more.

## How to become a member?

Becoming a member is super easy!! It is 50 euro's for a whole year of EUCSA pleasures. You can buy your membership at multiple occasions and can pay either with cash or with online payment.

To pay with cash make sure to come to our stand at the committee market or infomarket.

To pay through online payment visit our website [www.eucsa.nl](http://www.eucsa.nl)

So now the question is: Why should you become a member? If the countless amazing events organised by our very own committees, the EUCSA exclusive parties, sustainability and career focused events, ski trip, sports teams, EUCSA weekend, discounts on events like the gala and Model United Nations and so much more isn't enough to convince you then we don't know what will!
